***" How did it get so late so soon?" - Dr. Suess***

It is with mixed emotions that I am announcing my retirement from practicing dentistry. After more than 38 years in practice, it is time for me to pass the torch.

Over the years, I have formed close bonds with you, my patients, and have gotten to know many of you and your families quite well. It is hard to say goodbye.

As you might imagine, finding the right doctor to take my place was a daunting task. Only after interviewing many candidates was I able to find the perfect fit in Dr. Brian Reardon.

Dr. Reardon is a local Elmhurst dentist who I have known for many years, and is a respected colleague. He looks forward to continuing to provide outstanding dental care for many years to come. On the following page you will find a brief biography to introduce Dr. Reardon.

Be assured that my wonderful and caring staff will remain and will work closely to help Dr. Reardon become acquainted with each and every one of you. This will ensure a smooth transition and your continued satisfaction with your dental care.

I would like to extend my deepest personal thanks to you for your loyalty and trust in my practice for these many years. My dedication to providing the highest level of care will only continue with Dr. Brian Reardon and I am very confident that you will enjoy working with him.

All the best,

Jeffrey J. Slovick DDS
